

284A.4 Participation.

Effective July 1, 2007, each school district shall participate in the administrator quality program, and the board of directors of each school district shall do all of the following:

1. Implement a beginning administrator mentoring and induction program as provided in [this chapter](#).
2. Adopt individual administrator professional development plans in accordance with [this chapter](#).
3. Adopt an administrator evaluation plan that, at a minimum, requires an evaluation of administrators in the school district annually pursuant to [section 279.23A](#) and based upon the Iowa standards for school administrators and individual administrator professional development plans.

[2007 Acts, ch 108, §56](#)
